

UL 1104 Certified LED navigation lights

Vessel Less than 50 meters (165 feet)

Index / series

0100 AC, Single head, Basic (No Monitoring)

0200 DC, Single head, Basic (No Monitoring)

0300 AC, Double head, Basic (No Monitoring)

0400 DC, Double head, Basic (No Monitoring)

0500 AD = AC & DC, 2 inputs, Double head, Basic (No Monitoring)

0600 – 0900 AC, Specialty lights: (RG, YW, RW, GW), Double head, Basic (No Monitoring)

1000 – 1300 DC, Specialty lights: (RG, YW, RW, GW), Double head, Basic (No Monitoring)

1400 AC, Single head, Monitoring

1500 DC, Single head, Monitoring

1600 AC, Double head, Monitoring

1700 DC, Double head, Monitoring

1800 New – AC, 1 input, A = Double head - Alternates & Automatic, Monitoring

1900 New – DC, 1 input, A = Double head - Alternates & Automatic, Monitoring

2000 AD = AC & DC, 2 inputs, Double head, Monitoring

Replacement parts: lens, LED module, power supply, base.

Plate included with the light. See mounting guide.
